G20 Fashion

### OMG!! It's the Style News with RACHEALLEE!!

G-20 Style!  
G's UP!!

Whether you are pro or con; What would you buy being our guest in the Burgh'?

Well for starters lets just say that we expect our guests to help out the businesses that are being hurt by the closings & and tremendous amounts of Security! Have you seen the Hum-V's, gangs of officials and the Apache Helicopter's? Oh-My! So here is a list of must have items from our Pittsburgh Boutiques that represent Pittsburgh!

Just like Mattress Factory had put it, "One reason President Barack Obama selected Pittsburgh as the location for the summit is our city's revitalization and transformation from an antiquated steel town to a cutting-edge and progressive culture base. Through that evolution, the arts have played a critical role."
